## **SANKRANTHI FESTIVAL**

Sankranthi is a festival of joy and happiness, which is also known as Harvest festival.

We decorated school premises with beautiful rangoli designs. Pupils came in traditional attire. Some children were dressed as Haridasulu and sang devotional songs.

## **SPORTS MEET 2016-17**

As we aim at the total personality development, equal importance is given to the physical development of students. A Sports Meet was held on 24<sup>th</sup> and 25<sup>th</sup> January, 2017 at Govt. Degree College, and parents were also invited to take part in the event along with the students.

The event started with lightening of the lamp by the chief guests Mr. Sitaram, State Athletic coach and Mr. Rama Krishna, State Athlete.

Children participated in different events like Mass drill, March-past, Pyramids and House-wise competitions like Running, Skipping, Sack race, Frog jump, Long jump, Throw ball, Shuttle, and Cricket.

The parents also participated actively in games like Balloon game, Running Race, Skipping, Tennikoit, Throw ball, Kabaddi, held on 25<sup>th</sup> January, 2017. Principal handed over the prizes to the winners on Republic Day.

## Open Day

“Every child has different strength and weakness, and it’s important that their school provides the right environment for them to thrive in”.

Spring Board Academy organized Open Day on 25<sup>th</sup> February, 2017, wherein parents were invited to witness the talent showcased by the students of different grades.

The event started with recitation of Ganapathi Slokam by kids. Principal addressed the gathering and highlighted the significance of Open Day. Pre-primary children performed dance, recited the rhymes, months in the year, days of the week, good habits, number names etc.

Students have also showcased their skills in reciting Hindi, English, Telugu poems, storytelling, Science experiments, Map pointing, Lesson explanation, Art and Craft, Dance, English grammar explanation, Textbook reading, Geometrical shapes and Puzzle solving in Mathematics and Role play etc. The programme concluded with vote of thanks proposed by one of the teachers.

## **PARENT-ORIENTATION**

The Parent-Orientation Programme was conducted on 12<sup>th</sup> March, 2017 with an intention to familiarise parents with the school's key features, teaching methodologies, role of teachers and parents in building the children's bright future.

The question and answer session helped the parents in clarifying their doubts regarding teaching and learning process and further planning of their children's academic career.

## हमारे विद्यालय में गणतंत्रदिवस!

हमारी पाठशाला में गणतंत्र दिवस के शुभ अवसर पर अध्यापिकाओं ने गौरववंदना की! विद्यार्थियों ने गणपति प्रार्थना की! विद्यार्थियों ने कदमताल किया!

प्रधानाध्यापिका जी ने राष्ट्रीय झंडा लहराया! हमारी प्रधानाध्यापिका जी ने गणतंत्र दिवस के महत्त्व के बारे में बच्चों को बताया और यह भी बताया कि एक भारतीय होने पर हम सब को गर्व करना है, हमें इस देश का नाम रोशन करना है!

विद्यार्थियों ने देश भक्ति गीत गाये!  
विद्यार्थियों और अध्यापिकाओं ने देशभक्ति से सम्बंधित भाषण दिया और नृत्य किये! खेलमहोत्सव में विजेताओं को प्रधानाध्यापिका जी ने पुरस्कार और प्रमाणपत्र दिए!

अध्यापिकाओं द्वारा धन्यवाद प्रस्ताव दिया गया! बच्चों को मिठाई बाँटी गयी!  
जनगणमन गीत द्वारा सभा की समाप्ति हुई!

## **WOMEN'S DAY**

*“A WOMEN IS A SYMBOL OF LOVE, GOD'S FINEST AND BEAUTIFUL CREATION”*

This is what the students of SPRING BOARD ACADEMY expressed lovingly to their teachers, mothers, sisters and other women.

The programme started with Prayer song by the students. Principal spoke about the importance of women in our life.

We recollected the contributions of a few great women like Jhansi Lakshmi Bhai, Sarojini Naidu, Mother Theresa, Kiran Bedi etc.

The teachers individually spoke about women empowerment. This memorable event ended by the sloka:

*“Yatra naryantu pujoyante ramante tatradevata”*

## SCIENCE FAIR

Science fair is generally a competition among students which enables them to acquire knowledge through display, experiments, and models.

“NATIONAL SCIENCE DAY” was celebrated on 28<sup>th</sup> February, 2017 in the school to commemorate the invention of “RAMAN EFFECT” by SIR C.V.Raman. Children of primary and secondary grades participated in the competition.

Different exhibits prepared and demonstrated in the event were highly appreciated by the parents and visitors. A model of wind mill by R. Likhith Kumar (grade 8), a model of vacuum cleaner by Rohith (grade 4), a model of table fan by Santosh (grade 4), a model representing properties of air by Jayandra Pallav (grade 3I) and Gayatri (grade 2), and a model of beam balance by Reshoka (grade 3) were a few among them.

## **PARENT –TEACHER MEET**

Teachers and parents often see different aspects of a student's personality. When parents and teachers work together to try and provide the best environment for learning, the child stands to benefit the most.

We, at Spring Board, conduct regular parent-teacher meetings to continuously keep track of students' progress in curricular and co-curricular aspects.
